The Winneberg Club

1. OWNERSHIP

The Winneberg Club, Inc. (hereinafter "Club") is an Illinois Corporation privately owned by multiple owners (hereinafter "Owners"). The Owners exclusively hold all rights, titles, and/or interest in ownership, management and/or operation of the Club, its building and facilities, and acreage. The Owners annually elect and empower a Board of Directors (hereinafter "Board" collectively, "Board Member" individually, or "Board Officer" specifying a particular elected Board position). Owners may be a single natural person, two natural persons (spouses/partners/friends), or an entity (business, corporation, trust, etc). In all events, Ownership is an assigned title based on shares held. For the purposes of these Rules and Regulations, Ownership is a single entity regardless of the members, relationships, or number of shares held; a partnership that holds multiple shares in the Winneberg Club is the same single Owner as an individual who holds a single share.

2. MEMBERSHIP

Membership in the Club may take any of the following forms, or a combination thereof. Owners of the Club are not Members by default, but must secure Membership on the same terms as non-Owner Members. Any and All Membership in the Club shall not confer upon any Member any right, title, or interest in ownership, management or operation of the Club, its building and/or facilities and acreage.

2.1 Application for Membership – Candidate(s) for any Membership must be sponsored by an Owner or a Member (not including Trial Membership Members) in good standing by personally signing a Membership Application Form which shall be submitted to the Board with the applicable Membership Application Fees. This applies to Membership and Trial Membership applications. All Winneberg Club forms shall be available from the Membership Committee and on the Club website. Memberships in the Club are at the sole discretion of the Board of Directors and are not in force until approved by the Board and all applicable fees (see Attachment A) are received by the Board.

2.2 All Memberships in the Club are assigned to a recognized residential postal address, exclusive of P.O. boxes.

2.3 Individual Members of the Club are limited to no more than two persons at an approved Residence, and must be at least 21 years of age on the date of submission of the Application. The Members proposed must be specified and approved on the Application. Any change to Membership status at a Residence (addition, deletion, change of persons) must be submitted to the Board in writing and will be approved or disapproved and the Member notified.

2.4 Members exercise equal rights and responsibilities under their Membership.

The Winneberg Club

2.5 Additional permanent household residents at the Membership address who are dependents (as recognized by their eligibility to be claimed by one or both of the Members as a dependent on a US federal tax return) must be specified on the Application and approved in the application acceptance process to be considered as part of that residential Membership or Trial Membership. Additions and changes must be approved by the Board, and all deletions must be reported to the Board. Once approved, these additional residents become Associate Members of the Club. Additional household members must be presented to the Board whose decision is final.

2.6 Membership in Good Standing – Approved Club Member(s) and Associate Member(s) under a Membership whose account with the Club is current (both dues and Club Account) and which membership has not been suspended or expelled.

2.7 Trial Membership (aka Summer) is a Membership of approximately three consecutive months (as detailed on the Membership Application) intended to familiarize potential new members with the benefits, social aspects, facilities, and operation of the club. Trial Membership is accomplished by submitting an Application (Attachment G) with the applicable fees (see Attachment A) to a Board Member or Membership Committee member as detailed in this Paragraph, and receiving and accepting the decision of the Board on the inclusions and restrictions of the Trial Application. Trial Members (persons) and Trial Associate Members (persons) follow the same inclusion rules as Members and Associate Members and must be listed and accepted on the Trial Membership Application.

2.8 Suspended Membership – Any Membership in the Club (including Trial Memberships) may be suspended for willful or meaningful infractions of the Club Rules; for acts that the Board considers in their sole discretion to be disorderly, injurious, or hostile to the Owners, Members, guests, or to the interests or objectives of the Club; and/or for unpaid club accounts or assessments. Suspensions can be for any length of time up to one year. Suspended Members cannot exercise Membership rights and/or privileges, and do not pay monthly dues, except that their accounts become immediately due for any and all outstanding club accounts, assessments and dues in arrears. Suspensions can be extended or reduced at the discretion of the Board. Members who are returned from suspension to Good Standing are once again responsible for dues per the current Fee Schedule (see Attachment A) and club accounts as billed.

2.9 Self Suspension of Membership

2.9 a. Self suspension of membership can only be approved one time.

2.9 b. A Member in good standing with the Club (not including Trial Members) may suspend their membership in writing for a period not more than 24 months. Memberships that are self-suspended forfeit all right of membership during the suspension period. Memberships under approved self-suspension are not liable for the monthly Club dues for the period of suspension. Self suspension does not

The Winneberg Club

relieve the member of any previously incurred obligations and cannot be approved if there is an outstanding monetary debt to the Club. Petitions for Self Suspension must be signed by the same Member(s) as the application unless there is a legal reason that one Member cannot sign (such as death, legal separation or divorce, or incapacity to discharge the petition).

2.9 c. Reinstatement of Membership after a Self Suspension – Request for reinstatement must be requested in writing and must include the date of reinstatement requested. The early reinstatement request must be delivered to a Board member and received prior to the end date stated on the original self suspension. Reinstatement does not require the payment of an additional initiation fee (see Attachment A), but the member’s account must be otherwise in good standing and free of all debt. After expiration of a Self Suspension, the reactivated Member(s) will be notified in writing of their return to Good Standing and reactivation of all rights and responsibilities. If the notified Member(s) do not acknowledge the reactivation in writing to the Board within 30 days, the Self Suspension becomes a Termination of Membership and all privileges and standing are revoked. Terminated Members may apply for Membership through the normal channels, including application, recommendation, and all fees (see Attachment A) as a new member.

2.10 Expulsion of Members - Any Member in the Club can be expelled for willful or meaningful infractions of the Club Rules; for acts that the Board considers in their sole discretion to be disorderly, injurious, or hostile to the Owners, Members, guests, or to the interests or objectives of the Club; and/or for unpaid club accounts. Expulsions are reserved for instances more serious, in the sole discretion of the Board, than those for which suspensions may be issued. Expelled Members cannot exercise Membership rights and/or privileges starting immediately on notification of the expulsion. Expelled Members accounts become immediately and completely due for any and all outstanding club accounts and dues in arrears. Expulsion is permanent and Expelled Members cannot be reinstated, included as Members or Associate Members in other Applications for Membership, or otherwise become Members of the Club, except that a unanimous vote of all Owners at an Annual Owners Meeting may remove the restriction from Membership from an Expelled Member.

2.11 Winneberg Residents – Residency within the accepted boundaries of Winneberg does not confer any rights of Membership in The Winneberg Club. Residents of recognized addresses within Winneberg may not be included in the Membership (including Trial Membership) at any another residence.

2.12 Board Authority - In all cases of Membership and the inclusions, deletions, and/or restrictions thereto attached, the decision of the Board shall be final.

The Winneberg Club

3. TERMINATION OF MEMBERSHIP

3.1 Termination by Resignation, Death or Expulsion: Membership in the Club shall automatically terminate upon the sole Member's death or a Member's written request for termination delivered to the Board, or upon the Member's expulsion by the Board, or upon transfer, sale, or close of the Club by the Owner(s), their agents or assigns.

3.2 Rights on Termination - On termination of any Membership, any and all rights, title or interest of the Member(s) in use of the Club's facilities shall cease and all sums paid to the Club shall be deemed forfeited, except in cases of death where a pro-rate sum may be returned to the Member's Estate by the Club for the remaining balance of the year in which dues were paid. Any sums due and owing the Club from any person who has terminated their Membership voluntarily or involuntarily shall remain a debt owed to the Club by such person. Such debt shall be enforceable against the person or against the Member's Estate.

4. INDEMNIFICATION

All Members exercise their privileges hereunder at their own risk, and all Members expressly indemnify Owner(s) and Board against all liability for damages, costs, losses, and expenses resulting from, arising out of, or in any way connected with, the occupation or use of the premises by the Member, Associate Members, or guests. Owner(s) and the Board shall not be liable to any Member if for any reason whatsoever Member's occupation or use of the premises hereunder shall be hindered or disturbed.

5. AMENDMENTS

These Rules and Regulations may be altered, amended, or changed, in whole or in part by the Board at any time, for any reason, with or without notice.

6. ASSIGNMENT

Memberships in the Club are not transferable to any other person unless expressly agreed to by the Board in writing.

7. AUTHORITY

In all cases of decision for all articles inclusive in The Winneberg Club Membership Rules and Regulations, the decision of the Board of Directors is final without redress.

Pool Rules and Regulations

The Winneberg Club wishes everyone who uses the pool and facilities a pleasant and safe experience. Keep in mind that the Winneberg Club is largely a volunteer organization with many Owners and Members spending their time to make the Club clean and safe, and working hard to make everyone happy with their experience.

The Rules and Regulations are enforced on an honor system – we are all expected to watch out for each other and act responsibly for the safety and enjoyment of ourselves and others. Reported violations of these rules are taken seriously, and are subject to review by the Board of Directors acting for the Owners and Members of the Club. Disciplinary action is at the sole discretion of the Board, and can include suspension or revocation of club privileges.

Please be safe and respectful.

- 14) Decisions, questions of rule, and actions on applications are the responsibility of the assembled Board and not a single member of the board. Direct violation of any Club or Pool rule **MUST** be corrected immediately, especially where safety is concerned. If you cannot make a correction, notify a Board Member immediately.
- 15) Use of bathrooms and showers – The bathrooms and showers in the Clubhouse are available for use by anyone authorized to use the pool or outside activity areas of the Club. Access to the bathrooms and showers must be through the side door or the door adjacent to the kitchen, and must not be through the door to the main Club floor.
